

## LECTURE

# Victor Caston: Alexander of Aphrodisias on *phantasia*

## DATE

Thursday, 14 February 2013, 5:15 p.m.

## LOCATION

Topoi-Haus Mitte | Seminar room 1.03  
Hannoversche Straße 6 | 10115 Berlin

Victor Caston is Professor of Philosophy and Classical Studies at the University of Michigan. His research focuses primarily on ancient philosophy of mind: how the soul is related to the body, whether it has any distinctive causal power of its own, and how its states can represent the world or have content.
